## Discipline Policy

*Mandated by State Licensing Regulations*

All staff members employed by Parkside Child Development Center will actively attempt to stop a child from continuing a behavior which is dangerous to the child or others, or which is disruptive and/or interferes with group time and/or other activities. Consistency is the key to effective discipline. All staff members employed by Parkside Child Development Center will be consistent with the following procedures:

- The staff member will attempt to redirect the child to other activities.
- If behavior continues, the child will be separated for a brief Time Out. All staff will ensure that the child understands what the offense was and what is required to rejoin the group. A representative of Parkside Child Development Center will inform the parents of the child of the dangerous or disruptive behavior, should it continue.
- If a child has hurt another, the staff member will try to get the offender to realize his/her responsibility by talking with the children together, helping the offender to notice how the other child feels, and asking what he/she could do to make the other feel better. Apologies are to be encouraged, but may not be forced or used as a requirement to rejoin the group.
- If a child is continuously disruptive or abusive to others or him/her self, either physically or verbally, the following steps will be taken:
  1. The parent will be notified and the problem discussed.
  2. A mutual plan for correction will be adopted.
  3. If the behavior does not improve after the discussion, the director may ask that the child be withdrawn from the center, for reasons beneficial to the child and/or the center, with one week notice, or immediately if the safety and well being of other children or staff members are at risk.

The following disciplinary practices are ***strictly prohibited***:

- Physical punishment of ANY type.
- Withdrawal of food, rest, bathroom access, or outdoor activities.
- Abusive or profane language. This includes yelling.
- Any form of public or private humiliation. This includes threats of physical punishment.
- Unsupervised isolation
