administered by the United States Department of Agriculture. Please help us comply with the requirements of the CACFP by completing, signing and returning the attached statement as soon as possible. This information is necessary to decide the level of CACFP reimbursement your family day care center is eligible to receive for the meals served to children and/or adult participants in our program. This form will be treated as confidential information. All participants in our program receive their meal free of charge, but the determination of eligibility category affects the amount of federal funding we receive.

A foster child enrolled in our program that is the legal responsibility of a welfare agency or court may be certified as eligible for free meals regardless of your household income. Please refer to the instructions on how to complete the Income Eligibility Application form.

* SNAP: Supplemental Nutrition Assistance Program (formerly the Food Stamp Program)

If your household is currently receiving benefits under the Supplemental Nutrition Assistance Program (SNAP) or Food Distribution Program on Indian Reservations (FDPIR) and your child is enrolled in a child care center you need to only list the case number sign and date the form. If your household is receiving benefits under the Supplemental Nutrition Assistance Program (SNAP), Supplemental Security Income (SSI), Medicaid or Food Distribution Program on Indian Reservations (FDPIR) and an adult in your home is enrolled in an adult day care center then you need to only list their case number sign and date the form. The Department of Agriculture defines a household as a group of related or unrelated individuals (not residents of a boarding house or an institution) who are living as one economic unit (i.e., sharing living expenses).

- ✓ List all household members. A household is a group of related or unrelated individuals who are living as one economic unit (i.e. sharing living expenses).
- ✓ Provide the most current income by source for all household members. This can be based on the most recent information the month prior to completing the application
- ✓ The income reported on the application must include all income before taxes and before other deductions.
- ✓ A foster child, defined as a ward of the court or welfare agency, is to be listed separately so that there is only one foster child per form. Only the foster child's "personal use" income is listed. Personal use income includes:
 - Funds that are specified by the welfare agency as being for the personal use of the child. If no funds are specified, the funds received from the welfare agency are not to be considered as income. Record "0" on personal income
 - Money received from any source. This includes, but is not limited to, funds received from trust accounts, from the child's family, and earnings from the child's employment other than occasional or part-time jobs.

SIGNATURE

- ✓ If the enrolled participant is not a recipient of benefits and has not provided a case number, the adult family member signing the application must provide a social security number.
